
The Irish Luck Game

Irish Luck slot

The Irish Luck game is right for you if you want to try Irish luck. The game is full of fantastic characters and full of buckets of gold. The game has 5 reels and 25 paylines. Irish Luck Slot game style has 25 paylines played over 5 game reels and is available on both PC and mobile platforms. Irish Luck Slot game is sure to become your favorite. As it has an all around excellent gameplay for new players as well as experienced players. Description As you'd expect, the design in Irish Luck is done cartoon-style art. It has a light-hearted feel – set against a hilly, green, rainbow-filled backdrop, the reels include many of the Irish stereotypes you would expect to see. Features With the game there are amazing features which has made it so popular among players. With the spin of the reel players could be collecting fantastic game rewards. Although the Irish luck slot game isn't as flashy as some of the other available slots games on internet.

However the game play is absolutely brilliant. The spin value of Irish Luck Slots game ranges between 0.01p – £12.50 per spin so it's a game which all players can experience and play with a variety of different spin value available to choose from. Whether you're a brand new player to slots game styles or a veteran, there's great enjoyment to be had when selecting this fun slots game choice. Look out for glasses of stout and gold coins which pay up to 100 coins per payline, toadstools and castles which award up to 200 coins and a trail which awards up to 300 coins. The rainbow and the pot of gold at the end of the rainbow come next, each awarding up to 500 coins. The top payer is the tree full of gold coins – land 2, 3, 4 or 5 of these in combination and you'll pocket 5, 30, 100 or 1,000 coins (40 times your stake). You'll also see the letter I, R, I, S and H. Make a word combo containing 2, 3 or 4 letters and you'll win 5, 25, or 500 coins. While playing if you get all the letters "IRISH" you will pocket 120 times your stake (or 3,000 coins).

The 4-leaf clover is the wild – it can land on reels 2 and 4 only and replaces all other symbols apart from the 2 scatters. Any winning payline that includes a wild is doubled. Land 3, 4 or 5 of the grinning leprechaun and you'll win 4, 15 or 50 times your total stake – you'll also trigger the Prize Pick feature. You're taken to a new screen and given a choice of tree stumps – the number of picks you have depends on how many leprechaun scatters triggered the round. If there is a fairy hiding there, you'll win a multiplier prize of up to 100 times your stake. Land the leprechaun and you'll win 10 free spins with all payouts boosted by a 2x multiplier and doubled. Match & Win feature – this round is triggered by landing 3 or more fairy scatters. Once again, you'll win a cash prize equal to 4, 15 or 50 times your total stake. You'll then be shown a selection of 4-leaf clovers, behind which lie multiplier values. Pick until you find matching values. That's the prize you'll then win – awards of up to 100 times your stake are on offer here.

Gamble Bonus As your game comes to an end, you'll have one last chance for an Irish treat. The gamble bonus on Irish Luck Slot's game is available on your last win. And when get one you have the opportunity to DOUBLE your prize. You will be presented with two options – choose the right one, and it's your lucky day! Irish Luck Slots Game Features - 5 reels with 25 pay lines Wild Symbols – Clover Symbol substitutes all other symbols except the scatter

symbols in the game. Scatter Symbols – Leprechaun & Fairy Symbols are both scatters and offer different features when activated during the game. 3 or more of these symbols will activate the associated bonus feature. Bonus – The leprechaun bonus feature will give a prize pick, where you will receive as many picks as you had symbols roll in to activate this feature, and selected picks will reveal either a leprechaun which is worth 10 free games or a fairy which could be worth up to x100 the bet value. The fairy bonus is a pick and match feature where you will select clover leaves to match a pair and receive a bonus value.

Word Combo – If you spin in the word IRISH across the reels then this could be very rewarding with a value of x3000 the bet value.
