
What can you find in Villa Sorrento?

This spacious and superbly appointed villa is sure to have everything you need to make your vacation complete.

Welcome to our home! Ahead you will find the living room, a great place to relax after a long day at the parks. The living room features 2 Italian leather sofas, as well as a 50" flat screen TV with digital cable and a Blu-ray Home Cinema system. We have even supplied a great collection of Blu-rays and DVDs!

Off the living room there is a spacious kitchen stocked with everything you will need during your stay. The kitchen features top-of-the-line appliances including a refrigerator, freezer, stove, range, and microwave. The kitchen also features a breakfast bar with 4 stools with seating for 6 people. The main master bedroom is the epitome of luxury complete with US king sized bed and luxurious linens. There is ample storage. It also has a flat screen TV, DVD player and iPod docking station. The main en-suite has dual vanities, roman tub and walk-in shower stall.

The 2nd master bedroom has king sized bed and luxurious linens. A large dresser and closet provide plenty of storage space. A flat screen TV and DVD player are also included. Just off the 2nd bedroom is a bathroom with vanity and shower-over-tub combo. This bathroom can be accessed from both the 2nd master bedroom and the hallway.

Bedrooms 3 & 4 have twin beds, dresser, nightstand, and closet for extra storage. One bedroom has a Playstation 2 while the other has a DVD player and iPod speaker. These bedrooms share a third hallway bathroom with single vanity and shower-over-tub combo. A hallway closet just off the bathroom also provides extra storage.

The uniquely built pool and spa area are situated to the rear of the villa. An outside dining table with 4 chairs is provided. There are sun loungers provided for your use when enjoying the Florida sun, accommodating up to 10 people in total. The pool and deck area benefit from pool lighting allowing you to enjoy the warm evenings or an evening swim! The pool area is protected by a safety fence to ensure safety.

The garage has been converted into a games room. There is a 52"HD TV with digital cable and XBox 360 and games. Themed with our "dream cars", features an 8-foot pool table, 7-foot air hockey table and electronic scoring. There is also a foosball table. To enjoy the gaming experience there are 2 X-Rocker interactive gaming chairs.

Villa Sorrento provides a great escape for the Disney traveller with comfort and luxury on their mind!
